

## About *Achieve IELTS* Review tests

*Achieve IELTS* Review tests have been written to support teachers using the *Achieve IELTS* course and test students' progress in and understanding of ...

- vocabulary
- functional expressions
- grammar structures
- written English

presented during the course. The tests are not IELTS practise tests: these can be found in *Achieve IELTS* Tests Book (forthcoming).

Each review test consists of ...

- test items
- Teacher's notes
- answer key (with model answers for the writing section).

There are four tests per level, covering ...

- Test 1 Units 1 – 3
- Test 2 Units 4 – 6
- Test 3 Units 7 – 9
- Test 4 Units 10 – 12.

The review tests can be found at <http://www.mcelt.com/> in two versions:

1 Acrobat Reader (pdf) documents which can be printed, photocopied and taken into class without further adaptation

2 Microsoft Word documents which can be adapted by the teacher who wishes to add more items to the test or only test a limited number of items.

### To download the tests

So that your students do not download the tests in advance we put the tests in a password protected area. To download the tests ...

1 direct your Internet browser to <http://www.mcelt.com> and click on the link to the tests

2 complete the contact details and send them to Marshall Cavendish to receive your password

3 on receiving the password, enter it and download the test(s) you require

4 if you do not have Acrobat Reader, it can be obtained from

<http://www.adobe.com>.
