

Test 1

LISTENING COMPREHENSION (Part 3)

You will hear five short texts. You will hear the texts only once. Then you will have time to answer the question for each text.

Decide which is the correct answer (a, b or c) for each question and mark your answers on the answer sheet.

Tracks 7–11:

56

Your friend is explaining to you how to play a new ball game. It can be played

- a on your own.
- b in pairs with 2 or 3 teams.
- c with two players.

57

You hear the following telephone conversation between a taxi driver and an emergency operator. What's the problem with the woman with him?

- a she's having a heart attack
- b she was hurt in an accident
- c she's having a baby

58

You are a conference organiser and find the following message from a Spanish professor on your telephone answering machine. When will you put his lecture in the agenda?

- a on Wednesday morning from 10 to 12
- b on Wednesday afternoon from 4 to 6 before dinner party
- c on Wednesday afternoon from 3 to 5

59

You are listening to the radio and hear this advertisement. What's being advertised?

- a house cleaning
- b home repair
- c carpet cleaning

60

You are listening to the weather report for 3 days on the radio. When is it going to be dry and sunny?

- a on Sunday and Tuesday
- b on Sunday
- c every day depending on location
